

The background features a white space with a light blue dashed line curving from the top left to the bottom right. Various colorful shapes are scattered around: a large teal ring in the top left, a smaller teal circle next to it, a large lime green oval in the top right, a smaller green oval below it, a pink circle on the right side, a large orange circle below the pink one, a large yellow ring in the bottom right, a large green ring in the bottom left, a smaller green oval to its left, and a small orange circle between the green ring and the yellow ring.

Chrome Apps and Extensions

Exploring Web Apps and Extensions

What are extensions & Web Apps

Find and install

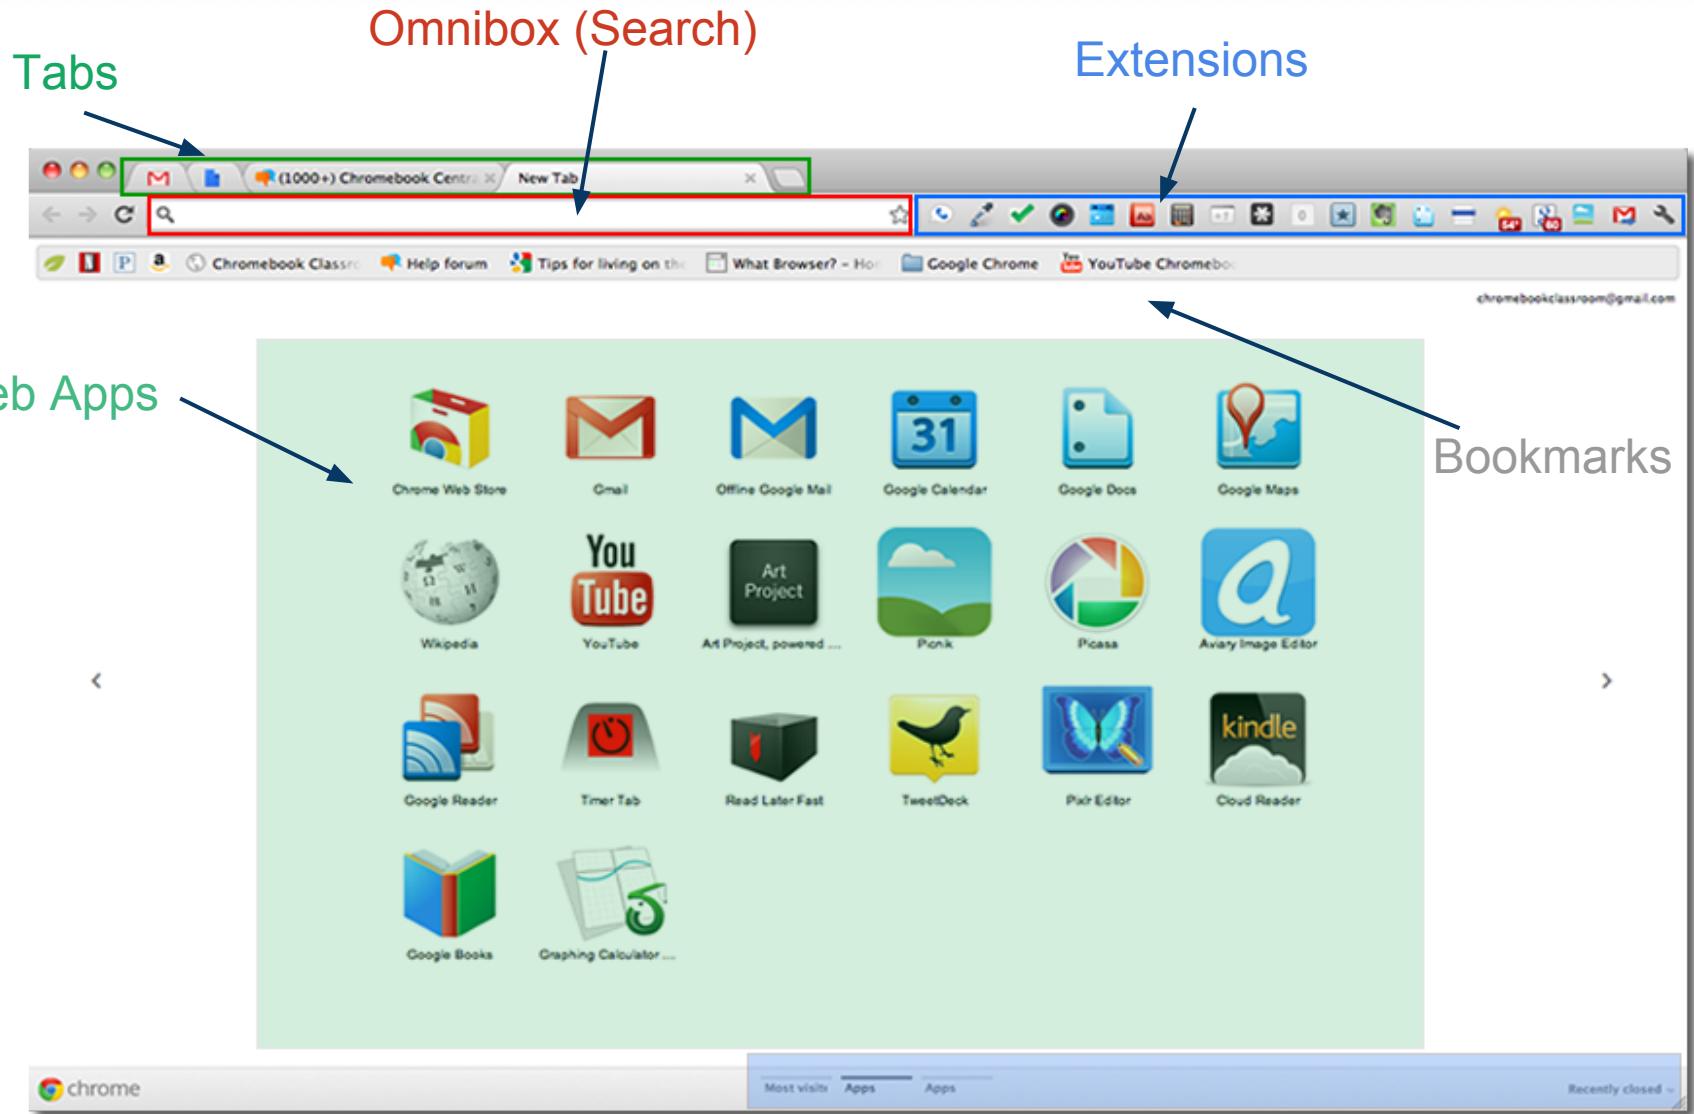

Useful apps and extensions

PLAYTIME

Features in Chrome Browser

What are apps and extensions?

Apps

- To make it easy- They are pretty much just websites!
- They do not work like iPad app for the most part they are links to websites.
- Some have automatic saving into your Google Drive!

Extensions

- Extensions are little programs that add functionality to your Google Chrome Browser.
- They work as extensions or additions to web pages.

Find web apps and extensions in the Chrome web store

The screenshot shows the Chrome Web Store interface. On the left is a sidebar with a search bar, navigation tabs for 'Apps', 'Extensions', and 'Themes', and filter sections for 'TYPES' (Chrome Apps, Websites), 'CATEGORIES' (All), 'FEATURES' (Runs Offline, By Google, Free, Available for Android, Works with Google Drive), and 'RATINGS' (5 stars). The main content area has a 'Featured' section with a large green banner for 'New & Updated Games' and a 'Recommended For You' section. Two app cards are visible: 'Audiotool' (FREE, 5 stars, 3010 reviews) and 'Drive Converter' (FREE, 4 stars, 325 reviews).
